## BACON

BACON IS CONSIDERED THE FOUNDER OF CRAFT FACTORY, AND HE'S RESPONSIBLE FOR HIRING HIGHER-UPS LIKE NOOB. HE USUALLY SHOWS NO EXPRESSION; HIS ONLY SMILE IS RESERVED FOR NEW EMPLOYEES TO MAKE THEM FEEL WELCOMED. BACON IS THE ONE WHO FIRST GREETES YOU WHEN YOU ENTER CRAFT FACTORY AND INITIALLY PROVIDES TIPS. LATER, NOOB WILL TAKE OVER THIS ROLE.

## NOOB

NOOB SERVES AS THE MANAGER OF CRAFT FACTORY, REPORTING DIRECTLY TO ITS FOUNDER, BACON. NOTABLY, NOOB WAS BACON'S VERY FIRST HIRE, PERSONALLY APPOINTED TO THE MANAGERIAL ROLE. WHILE GENERALLY AMIABLE, NOOB TYPICALLY MAINTAINS A SMILE, ONLY LOSING IT DURING RARE MOMENTS OF ANGER OR SADNESS. HE IS LATER INTRODUCED TO MICHAEL AND WILL BEGIN PROVIDING TIPS. FOR SEVERAL YEARS, NOOB HAS YEARNED FOR RETIREMENT, WORRYING ABOUT FINDING A SUITABLE REPLACEMENT—UNTIL MICHAEL'S ARRIVAL.

## MICHAEL

MICHAEL IS THE MAIN PLAYER CHARACTER, TASKED WITH MANAGING ALL CRAFT PURCHASES AND FOOD PRODUCTION. RANKED THIRD IN COMMAND—JUST BELOW BACON AND NOOB—HE'S KNOWN AS THE FASTEST LEARNER IN THE FACILITY, QUICKLY MASTERING COMPLEX CRAFTS AND CLIMBING THE RANKS WITH IMPRESSIVE SPEED. AMONG THE ELITE WORKERS, HE'S RECOGNIZED AS THE BEST, AND ONE OF ONLY THREE INDIVIDUALS—ALONGSIDE BACON AND NOOB—TO UNLOCK THE RARE APOCRYPHAL+ SHOP. HIS LONG-TERM GOAL WAS CLEAR: BECOME MANAGER. HE ACHIEVED IT BY STEPPING INTO NOOB'S ROLE AFTER HIS RETIREMENT, RISING TO SECOND IN COMMAND UNDER BACON. ALTHOUGH HE HAD UNLOCKED NEARLY EVERY ACHIEVEMENT, PROGRESS SLOWED SHARPLY FOR THE FINAL FEW, SIGNALING THE FINAL STRETCH OF HIS JOURNEY. AS MICHAEL ADVANCED, HE BEGAN TO NOTICE A SHIFT IN BACON'S DEMEANOR. ONCE SUPPORTIVE AND FRIENDLY, BACON HAD BECOME COLD AND DISTANT—HIS TRADEMARK SMILE GONE, REPLACED BY A CONSTANT, UNREADABLE STARE. THE WARMTH THAT ONCE DEFINED THEIR TEAMWORK HAD VANISHED.

heard this is  
you're first day.  
You can click the

gonna get scammed.*

START THE GAME, AND BACON'S MESSAGE WILL POP UP TO GUIDE YOU. CLICK THE SHOPPING CART TO MAKE YOUR FIRST CRAFT. REMEMBER, YOU CAN ONLY MAKE ONE CRAFT AT A TIME OR YOU'LL LOSE COINS. BUY VARIOUS CRAFTS TO REACH 50,000 COINS; THE GAME WILL THEN PROMOTE YOU TO SUPER WORKER. ## *PROMOTION*

*Hello! It's nice to be meeting you again. I just wanted to say you're getting promoted from worker to SUPER worker. You can access foods by clicking the energy drink button.*

UPON REACHING 50,000 COINS, PLAYERS EARN A PROMOTION TO SUPER WORKER, UNLOCKING COOKING AND FOOD BUFFS THAT INCREASE SELL PRICES. THIS UPGRADE ACCELERATES CRAFTING HIGHER-TIER ITEMS. AT THIS STAGE, MYTHICAL CRAFTS BECOME AVAILABLE. PURCHASING ONE UNLOCKS THE APOCRYPHAL SHOP, WHICH THE NEXT SLIDE WILL EXPLAIN.

# THE SAD NEWS OF NOOB

**MANAGER!!!!**

*Hello! I'm Noob, the Manager of the factory as you know. I want to retire from this job but then no one can replace me until you come, your hard work shines brighter than anyone else's. So I shall promote you to **MANAGER!!!***

ALAS, EVERYTHING HAS AN END. AFTER CRUSHING THAT ETERNAL MILESTONE, MICHAEL, BURSTING WITH JOY, WANTED TO CELEBRATE WITH HIS MANAGER AND BACON. HE EAGERLY WENT TO NOOB'S DESK TO TELL HIM THE NEWS. NOOB, WITH A BITTERSWEET SMILE, ANNOUNCED HIS OFFICIAL RETIREMENT AND DESIRE TO PROMOTE MICHAEL TO MANAGER, CITING MICHAEL'S INTENSE WORK. HE THEN REVEALED, HIS VOICE SOFT WITH FINALITY, HIS DECISION ON MICHAEL'S PROMOTION BEFORE MICHAEL DELIVERED THE NEWS. NOOB THEN BID HIS FAREWELLS AND QUIETLY DEPARTED. MICHAEL UNLOCKING THE APOCRYPHAL+ SHOP BUT AT WHAT COST

# THUMB NAIL, NUMBER COUNTER

CHECK OUT THESE UPDATES! WHEN YOU CLICK THE RED SIGN, YOU'LL SEE A SMOOTH TRANSITION TO THE THUMB NAIL, WHICH I MADE USING TIMER BLOCKS. I'VE ALSO SWAPPED OUT THE BORING DEFAULT SCRATCH ORANGE TEXT FOR AN AWESOME ANIMATING AND GLOWING FONT, THANKS TO A GREAT TUTORIAL BY @GRIFFPATCH.

# FPS COUNTER, VERSION BAR

TWO OTHER FEATURES YOU'LL LIKELY SPOT ARE THE VERSION BAR AND THE FPS COUNTER. THE VERSION BAR DYNAMICALLY SHOWS 'V1.4.3' (OR YOUR CURRENT VERSION) AND CHANGES TO 'VA1.4.3' IF YOU'RE AN ADMIN. AS FOR THE FPS COUNTER, I BUILT IT BY CONTINUOUSLY RESETTING THE TIMER AND CALCULATING THE FPS AS 1 DIVIDED BY THE TIMER'S VALUE. I SHOULD NOTE THAT WHILE THIS METHOD, INSPIRED BY A TUTORIAL FROM [@THE STEAMIST](#), ISN'T PERFECTLY ACCURATE IN SCRATCH, IT EFFECTIVELY SHOWS THE FRAMES PER SECOND.

# BUTTON LIMITATIONS

ONE OTHER THING YOU COULD NOTICE, IS THE FACT THAT WHEN YOU CLICK THE SHOP BUTTON, THE FOOD BUTTON, THE NOTIFICATION BUTTON AND THE ACHIEVEMENTS BUTTON YOU CAN'T CLICK ANY OTHER BUTTON UNLESS YOU CLICK THE "X". YOU PROBABLY KNOW THAT WE CAN ONLY MAKE 1 CRAFT AT A TIME. LAST TIME WHEN 1 CRAFT WAS MAKING YOU COULD MAKE ANOTHER ONE AND LOSE YOUR MONEY BUT NOW YOU CAN'T MAKE A CRAFT WHILE ANOTHER IS IN THE PROCESS OF IT.

# NOTIFICATION PROBLEM

ONE OTHER THING IS THAT THERE USED TO BE A NOTIFICATION PROBLEM WHEN YOU TRY TO LOOK AT YOUR NOTIFICATIONS WHEN YOU HAVE MORE THAN 1 IT SETS IT TO 0 EVEN THOUGH YOU CLICKED IT ONCE AND ALSO DOESN'T GIVE YOU ANY NOTIFICATIONS, WE FIXED IT PRETTY EASILY AND NOW YOU CAN EASILY ACCESS THROUGH ANY AMOUNT OF NOTIFICATIONS

IT'S ABOUT COMBINING CRAFTSMANSHIP, CULTURE, AND SMART GROWTH INTO AN IMMERSIVE SIMULATION EXPERIENCE. THE GOAL IS TO BECOME MANAGER
